

**Payment Allowance Limits for Medicare Part B Not Otherwise Classified (NOC) Drugs**

**Effective October 1, 2017 through December 31, 2017**

Note 1: Payment allowance limits subject to the ASP methodology are based on 2Q17 ASP data.

Note 2: Providers should contact their local Medicare contractor processing the claim for the most appropriate unlisted/unclassified HCPCS code to use in reporting these drugs to Medicare.

Note 3: The absence or presence of a HCPCS code and the payment allowance limits in this table does not indicate Medicare coverage of the drug. Similarly, the inclusion of a payment allowance limit within a specific column does not indicate Medicare coverage of the drug in that specific category. These determinations shall be made by the local Medicare contractor processing the claim.
